Global
advantage

Take control of a global force

Discretionary investment services helps you realise your goals. By creating diversified portfolios, your investments can harness opportunities everywhere, at a local or international level. Our globally connected experts help you create and manage a diversified portfolio based on your needs and investment objectives.

Change is inevitable, and staying confined to one security or sector exposes portfolios to higher levels of risk, making investments more vulnerable. Diversification helps portfolios perform better by blending the strengths of different securities in changing market conditions.

Being truly diversified goes beyond access to different markets. Through a global lens, your investments benefit from worldwide diverse expertise and local insight, providing opportunities wherever they arise across sectors and economic cycles.

Global advantage

Discretionary investment services gives you confidence in knowing your portfolio is being managed on a day-to-day basis by dedicated experts with unparalleled expertise in line with your financial ambitions.

- 500+ HSBC investment professionals connected across 30+ countries

- Ability to create and manage a globally diversified portfolio

- Executed by HSBC Asset Management's in-house institutional expertise. Plus, access to independent third-party experts

Global advantage

You set the course
We take you there

When it comes to navigating your investment journey, well-informed decisions make all the difference. A focused vision from a team of experts is vital. Discretionary investment services delegates investing decisions to our institutional asset management team.

By clearly understanding your investment goals, your risk level and the type of portfolio you want to build, our global team of experts will identify and harness opportunities that match your predefined requirements and objectives. We provide you with the ability to set certain investment parameters, based on your needs and preferences.

It is important to note that the capital value of, and income from, any investment may go down as well as up, and you may not get back the original amount invested. All products available are subject to eligibility criteria.

Focused vision

At HSBC, our long-term investment philosophy guides every review and action. Our unwavering commitment to this philosophy is founded on four core principles.

- Global opportunities
  The ability to access opportunities, no matter the location or sector. Being a partner who understands cultural nuances and economic cycles to help build diversified portfolios.

- Access the experts
  Through open architecture, we have access to leading experts from Global Private Banking, HSBC Asset Management as well as third-party industry expertise.

- Taking a rigorous approach
  We work closely with you to understand your vision so we can outline clear principles and strategies that meet your financial ambitions. With regular updates on trends and performance, we keep your investments moving forward.

- Resilient controls
  Through our institutional risk management systems, we complete regular rebalancing, systematic risk assessments and put controls in place to ensure you're on the right road.

For your future

Foreign securities carry particular risks, such as exposure to currency fluctuations, less developed or less efficient trading markets, political instability, a lack of company information, differing auditing and legal standards, volatility and, potentially, less liquidity.

Investment in emerging markets may involve certain additional risks, which may not be typically associated with investing in more established economies and/or securities markets. Such risks include (a) the risk of nationalization or expropriation of assets; (b) economic and political uncertainty; (c) less liquidity in so far of securities markets; (d) fluctuations in currency exchange rate; (e) higher rates of inflation; (f) less oversight by a regulator of local securities market; (g) longer settlement periods in so far as securities transactions and (h) less stringent laws in so far the duties of company officers and protection of Investors.

In Australia, the present communication is distributed by The Hongkong and Shanghai Banking Corporation Limited, Sydney Branch (ABN 65 117 925 970, AFSL 301737). The present communication is for wholesale clients only and is not available for distribution to retail clients (as defined under the Corporations Act 2001). Any information provided in the present communication is general in nature only and does not take into account your personal needs and objectives nor whether any investment is appropriate for you.

The Hongkong and Shanghai Banking Corporation Limited, Sydney Branch is a foreign Authorised Deposit-taking Institution ("foreign ADI") supervised by the Australian Prudential Regulatory Authority. Except for it and HSBC Bank Australia Limited (ABN 48 006 434 162, AFSL 232595), no other HSBC Group entity described in this document, is an authorised deposit-taking institution in Australia.

Transactions which you enter into with an entity or branch other than The Hongkong and Shanghai Banking Corporation Limited, Sydney Branch, does not represent a deposit with, or a liability of, The Hongkong and Shanghai Banking Corporation Limited, Sydney Branch. Unless expressly stated otherwise in any document, The Hongkong and Shanghai Banking Corporation Limited, Sydney Branch does not stand behind, or support by way of guarantee or otherwise, the obligations of any other related entity of the HSBC Group (including HSBC Bank Australia Limited). Transactions you enter into with a branch of The Hongkong and Shanghai Banking Corporation Limited other than the Sydney Branch, will not be booked in Australia and is not a transaction with the Sydney Branch.

The Hongkong and Shanghai Banking Corporation Limited also does not guarantee the performance of any products of another HSBC Group entity or branch.

Transactions you enter into with another HSBC Group entity is exposed to a variety of risks such as investment risk, including possible delays in repayment and loss of income and principal invested.

As a foreign ADI, provisions in the Banking Act 1959 (Cth) for the protection of depositors do not apply to The Hong Kong and Shanghai Banking Corporation Limited, Sydney Branch. For example, depositors with foreign ADIs do not receive the benefit of the following protections:

- Deposits are not covered by the financial claims scheme and are not guaranteed by the Australian Government.

- Deposits do not receive priority ahead of amounts owed to other creditors. This means that if a foreign ADI was unable to meet its obligations or otherwise is in financial difficulties and ceases to make payments, its depositors in Australia would not receive priority for repayment of their deposits from the foreign ADI's assets in Australia.

A foreign ADI is not required to hold assets in Australia to cover its deposit liabilities in Australia. This means that if the foreign ADI were unable to meet its obligations or otherwise is in financial difficulties and ceases to make payments, it is uncertain whether depositors would be able to access the full amount of their deposit.

Risks of investing in private markets

The value of investments and any income from them can go down as well as up and investors may not get back the amount originally invested. Past performance information presented is not indicative of future performance. The return and costs may increase or decrease as a result of currency fluctuations.

- Liquidity Risk - Investors may be unable to dispose of an investment quickly and at a price that's closely related to recent similar transactions. There is no guarantee of distributions and no established secondary market.

- Event Risk - A significant event may cause a substantial decline in the market value of all securities.

- Long-term Horizon - Investors should expect to be locked-in for the full term of the investment, which is subject to extensions.

- No Capital Protection - Investors may lose the entirety of invested capital.

- Unpredictable Cashflows - Capital may be called and distributed at short notice.

- Economic Conditions - Ability to realise/divest from existing investments depends on market conditions and the regulatory environment.

- Risk of Forfeiture - Failure to make call payments could result in forfeiture of commitment, including invested capital, without compensation.

- Default Risk - in the event of default investors risk losing their entire remaining interest in the vehicle and may be subject to legal proceedings to recover unfunded commitments.

- Reliance on Third-party Management Teams - Underlying investments will be managed by various third-party management teams that will in aggregate determine the eventual returns for the investor.

The risk factors listed above are not exhaustive, always refer to product specific documentation for full details and risk disclosures.
